For Immediate Release:

Downtown Burbank ARTS Festival to Feature Digital EFX Artists from Highest Grossing Animation Films

BURBANK, Calif. -- Streets in Downtown Burbank will be packed with digital artists, street painters, sculptors, photographers and more than 12,000 art lovers on Saturday and Sunday, April 19 and 20 from 10:00 am to 5:00 pm. The Downtown Burbank ARTS Festival is free and open to the public.

In a twist that pays homage to Burbank's reputation as Animation Capital of the World, Downtown Burbank Partnership is uniting with Creative Talent Network to present an entire block devoted to animation and visual EFX artists from feature films, video games and television series, along with associated schools and studios. Visitors will have the opportunity to interact with more than 40 exhibiting artists whose contributions are found among the highest grossing animation films of all time.

The festival will take place outdoors on four block of San Fernando Boulevard between Angeleno Avenue and Magnolia Boulevard.

For further information, the public is asked to please visit www.downtown-burbank.org or call 818.238.5180.

ABOUT CREATIVE TALENT NETWORK

Conceived and launched in 2004 by 30 year animation professional and award winning animator Tina Price, CTN stands as the seminal online community for the world's leading creators of traditional and digital animated films. Contributions from these animation artists can be seen in some of the highest grossing films in the history of animation. They come together to showcase their work, market their talents, pursue common goals and connect with other professionals, clients and students worldwide. www.ctnanimationexpo.com
